

Tariff of Mortgage Charges

Clydesdale is closely involved in the mortgage industry's initiative with Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Tariff of charges details all fees that Clydesdale may charge you directly as a mortgage customer.

You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	Variable, these fees/costs are charged by the solicitor directly to you.

Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case. <i>A physical or remote valuation may be carried out as part of your mortgage application.
